

Crushed #1 & #2 Gravel Mixed

- * Suitable Coarse Driveway Topping
- * NYSDOT 703-02, size 1 & 2 Mixed
- * We produce this product at: Collins, Freedom, Gowanda, Great Valley, Hanover, South Dayton, Springville

Item Description

Ranging in size from 1 1/2" to 1/4", this clean, washed, crushed gravel is commonly used as an ingredient in Ready Mixed Concrete. This product works well as a coarse driveway topping for soft, muddy driveways.
